MISSION STATEMENT***

The Western Reserve Local Schools learning community will provide a safe, positive and stimulating school environment. Within this environment, responsible leadership, instruction and learning for all will prevail. It is the responsibility of all students, staff, parents, and community members to help our students reach high expectations set by realistic goals. We believe ALL are responsible for meeting the individual needs of each student. The district staff is committed to the professional development needed to accomplish their mission, and the task of monitoring the success is proudly shared by ALL.

Students will be challenged to reach their highest potential, to learn to work respectfully with others, to think critically and to confidently adapt to growth. The students will gain the skills necessary to become responsible, productive citizens and lifelong learners within a changing society.
